FEBRUARY 2012

## PASTURE ESTABLISHMENT & IMPROVEMENT

**Friday 2nd March 2012**

**10.30a.m to 12 noon**

**In store at TAFCO followed by BBQ lunch**

Smyth Seeds agronomist Tom Dickson together with DPI's Sue Briggs (Soil, water, climate group) will be conducting a short in store workshop on Pasture establishment & improvement.

Tom and Sue can assist in your decision making about pasture species that suit your soil and climatic conditions. DPI have offered further assistance for farmers interested in more detailed farm planning through additional workshops.

*“Helping farmers grow profits through pasture”*

For catering purposes please RSVP to TAFCO on 57521800 by Wednesday 29th February 2012 or email: [kerry@tafco.com.au](mailto:kerry@tafco.com.au)
