## TOPFODDER - Making top quality Silage & Hay

When: **Thursday 31<sup>st</sup> March, Friday 1<sup>st</sup> April and 8<sup>th</sup> April, 2011,**

Time: 9.00am – 4.00pm

Where: **The Savoy Club, Myrtleford**

**This TOPFODDER workshop is suitable for farmers, contractors and anyone interested in knowing more about the techniques required to make top quality silage and effectively meet the feed requirements of livestock.**

Pasture and Fodder Conservation Specialist Frank Mickan from DPI, Victoria, will facilitate the 3 day workshop. The cost per participant will be \$375 (for those eligible for government subsidy or \$500 full cost) and includes a comprehensive manual, speaker's notes, morning/ afternoon tea and lunch each day.

The workshop will include:

Why make silage? Harvesting equipment, techniques and timing; Crops suitable for making silage; Storage options; Moisture management; Meeting livestock feed requirements; Yield and quality measurements and Productivity return and profitability.

If you are interested in attending this 3 day TOPFODDER workshop please send your details to Kerry Murphy or Gary Baxter at TAFCO Rural Supplies P.O. Box 277 Myrtleford. 3737 Fax: 03- 57521827 no later than Friday 25<sup>th</sup> March 2011

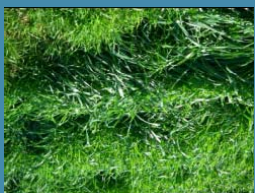

Workshop fees can be paid to GOTAFE or charged to a TAFCO account.
