## CHAIRMANS REPORT.

It is with great pleasure that I present the TAFCO Chairman's Report for the 2013-14 Year.

TAFCO's current trading position continues to remain strong which is reflected in the Financial Accounts. Turnover increased by \$185,277 to \$4,141,613 which Directors issued a 2.75% rebate on trading and a 5% dividend on shares which was paid as a credit on members accounts in June 2014.

The Board and Management have reviewed sales comparisons from 2010 to 2014 and are pleased that the decision to acquire Murray Goulburn Trading has reflected positively in our trading account. There has been significant strong growth in animal feed and health stock lines with steady growth in electric fencing, plant protection and herbicides. These increased sale areas have compensated for the decreasing sales in fungicides and pesticides which are reflective of the annual seasonal conditions and general downturn in horticulture.

Upgrading our truck to a larger capacity for our regional delivery service has been well worthwhile. Our delivery service throughout the Ovens, King, Kiewa and Beechworth regions has kept the truck on the road a minimum of three days and often 4 days a week. There has been strong growth in the Beechworth-Yackandandah area and Kiewa Valley.

The launch of TAFCO's new website, electronic Newsletter and Facebook page 12 months ago has improved communications with our members and the wider community. Providing a resource and not just a marketing tool has been popular with internet users. Our Products, R & D and Resources pages are very popular although our electronic noticeboard with 'Buy Swap Sell' has had a slow uptake. Overall the new website has significantly increased traffic than our previous website. We are happy for members to provide feedback, if you have any suggestions for improvement then contact us. <a href="https://www.tafco.com.au">www.tafco.com.au</a>

Our network of weather stations is a great example of how we can provide a community service across the region. Data is transmitted through the next-G network and can have delays during storm weather events. We acknowledge and thank our partners who continue to support this great initiative; Alpine Shire, Rural City of Wangaratta, King Valley Vignerons, Alpine Valley Vignerons and Ito En.

TAFCO is looking to bring new partners on board to ensure that calibration, maintenance and repairs can undertaken on a regular basis.

The expanding of offices for Phil Ash Elders Insurance has given security of additional income streams and strengthened our partnership through this arrangement. I would encourage all members to have a chat to Phil and his team about your existing or any new insurance.

The introduction of the Co-operatives National Law and repeal of the former Co-operatives Act 1996 (Victoria) has seen the Board review our rules and put forward to members new rules which have been brought in to reflect the change in legislation. From a members point of view there is no significant change.

Under Co-operatives National Law, TAFCO is defined as a small co-operative and therefore the Board have the option of having a review rather than a full scale corporations audit. The Board have decided to provide members with the same Financial reporting in Annual Reports and to continue having accounts audited by a Qualified auditor with some minor changes where any risk is limited. This years report includes the Auditors Letter to the Board in addition to the Independent Assurance Practioners Report. There are minor changes in some of the presentation as figures have been drawn directly from TAFCO's accounting program.

# **CHAIRMANS REPORT (cont.)**

Changes to the way the review/audit of accounts has been conducted will be reflected in the costs associated with the review.

During the course of the year TAFCO looked into the potential to open a new business. The closure of Myrtleford Foodworks was seen as a potential opportunity to expand our business. There was significant investigations done into this and we did not proceed. It certainly got some strong reactions from members across the spectrum of positive and negative.

The TAFCO Board and Management team are always looking at opportunities when they arise. Members can be assured that no actions are taken without rigorous due diligence in looking at the risks and there must always be a benefit to members for the Board to undertake any new venture.

TAFCO has continued to support the regional community through sponsorships to local sporting bodies including golf, bowls, soccer, football and netball clubs. The Myrtleford and District Agricultural & Pastoral Society, Alpine Valley Vignerons, King Valley Vignerons, Chestnuts Australia have received support and a range of donations of stock for many worthy causes have been given during the year.

Busy times are predicted for the Board, Management and staff – as we continue to improve and grow our business for the benefit of our members. We pride ourselves in delivering an exceptional service to members and the community and will continue to invest in staff training to improve our product knowledge and offer a variety of events during the year that support agriculture.

During the year we visited other agricultural trading co-operatives including Terang in Western Victoria and Yolla Producers Co-operative in Tasmania. We never cease to stop learning and the synergies with other co-operatives give us new ideas and often reinforce our own thoughts and actions as we endeavor to improve our business and service to members.

We have identified other co-operatives that we would like to visit in the coming year and plan to invest some resources in this area.

In conclusion I would like to acknowledge the Board's contributions in steering the business under the Management Team of Tony Vaccaro & Kerry Murphy and to thank our staff members for their commitment to customer service, through their product knowledge and making customers feel welcome in store.

It has again been a very successful trading year, and one which we aim to grow in 2015.

Allan McGuffie

ACCOUNTING for YOUR Business
16th September 2014

The Directors
Tobacco and Associated Farmers Co-Operative Ltd.
215 Myrtle Street

Dear Sirs,

MYRTLEFORD VIC. 3737

## RE: AUDIT FOR YEAR ENDED 30TH JUNE 2014

I thank the Directors for the opportunity of acting as Auditor/Reviewer of the Cooperative and now advise that the Audi/review for the year ended  $30^{th}$  June 2014 is complete.

This year has seen the introduction of the Co-operatives National Law Application Act 2013 (CNL) and Co-operatives National Law (Victoria) Local Regulations 2014. Under the CNL Tafco is classified as a "Small Co-operative" and therefore not required to produce a full set of audited Financial Statements unless requested by the members at a General Meeting.

The Directors however have requested that a "Review" to be conducted in accordance with Standard on Review Engagements ASRE 2400, as outlined in the Engagement Letter.

A Review is more limited in nature compared to an Audit and as such after discussions with the Manager & Secretary we have not reviewed certain areas. Also, we have not prepared the Executive Financial Summary & Graphs or assisted as in past years to produce assisted in producing a full set of Financial Accounts & Statement of Cashflows. We have therefore relied on the Tafco accounting system, "Merlin".

# A. EXAMINATION OF BOOKS & RECORDS AND EVALUATION OF INERNAL CONTROL

My examination of the books and records on a sample basis has revealed no major weaknesses and the records are properly maintained.

## B. EXAMINATION OF FINANCIAL STATEMENTS

## 1. Cash on Hand and Bank Accounts

All Bank Accounts have been checked and verified and bank reconciliations are regularly prepared by the Manager. We did note again however that there is a

"timing difference" in the Merlin bank reconciliation for the main trading account if the reconciliation is not printed exactly at the end of the period. We were able to manually reconcile the bank account to confirm the figure in the Accounts. We did suggest to the Manager that for the end of the financial year, the reconciliation should be done on the day to ensure that it is correct.

## 2. <u>Debtors</u>

The existence, collectability and value of trade debtors has been checked and verified. Debtors are higher this year at \$255719 (an increase of \$24780), compared with \$230939 last year.

The aged debtors list was discussed with the Manager & there are no serious concerns.

As a result of the increase in Debtors, the provision for Doubtful Debts of 10% of debtors, has increased from \$23094 to \$25572.

As part of the Review I have not circularised debtors as at the  $30^{th}$  June, 2014 seeking confirmation of balances.

## 3. Stocks

A Physical stocktake was conducted again in June this year and Stock on hand increased significantly by \$103375 to \$587018. Stock valuations were checked against invoices on a test basis and no problems were revealed. The increase in stock is again largely due to the Murray Goulburn lines including stockfeed.

## 4. Fixed Assets

I believe accurate records are maintained for fixed assets. Any acquisitions and disposals have been checked and where possible physical existence of assets was confirmed. As part of my examination of fixed assets this year, I have confirmed existence of new additions during the year as shown on the depreciation schedule.

The following items were added/disposed of during the year:

Dell Optiplex Computer 9010	29.07.2013	1455
Dell Optiplex Computer 9020	22.10.2013	1409
Computer rack Cabinet Epsom Printer & cash drawer	04.10.2013 28.10.2013	682 710
Pallet racking	12.03.2014	1520
Ford Ranger Crew Cab	30.06.2014	49492
		\$ 55,268

TOTAL

Disposals NONE

## 5. Trade Creditors

The examination of Trade Creditors revealed no problems this year or any omissions. Trade Creditors have increased from \$296961 to \$366206 this year and most were paid at the time of conducting the Audit.

## 6. Employee Entitlements

In accordance with accounting standards and corporation's law, provisions have been made for long service leave and annual leave entitlements.

And the second second	2014	Difference	2013
Annual Leave Provision	25058	-1405	26463
Long Service Leave Provision	50093	7262	42831

## Goodwill

The Goodwill of \$50000 is shown in the Balance Sheet at cost was discussed with the Manager and it was decided that this be written off over 20 years at a rate of 5%.

# C. TRADING RESULTS

Turnover has increased this year by \$185277 to \$4141613, a substantial increase and with continuing benefits of having former Murray Goulburn Trading product lines.

Net Profit has increased from 205309 to 3234688 before tax. Gross Profit on Trading has increased by 65273 this year to 607733.

The results are very good again this year with net profit again at its highest since 2006 during the heyday of the Tobacco Industry. The Directors and Management have been successful in ensuring the Co-operatives remains in a strong position.

As a result the Directors were able to declare to Members a Dividend of \$29955 and Rebates of \$84130.

The Table below shows a summary of the trading results:

	2014 Di	fference	2013

# GENERAL

The Directors and Members should be very pleased with the results again this year and the Directors and Staff should be congratulated for their great efforts.

Finally, I would like to thank the Manager and Secretary for their cooperation during the conduct of the Audit/review.

Yours faithfully, AlpineTAX

# **Independent Assurance Practioner's Report**

# Independent assurance Practitioner's Report

To the members of TOBACCO & ASSOCIATED FARMERS CO-OPERATIVE LIMITED

## Report on the financial report

We have reviewed the accompanying annual financial report of TOBACCO & ASSOCIATED FARMERS CO-OPERATIVE LIMITED, which comprises the Profit & Loss Statement and Balance sheet as at 30th June 2014 and other explanatory information.

## The Directors Responsibility for the financial report

The Directors of the Co-operative are responsible for the preparation of the annual financial report that gives a true and fair view in accordance with the Co-operatives National Law Application Act 2013 and the Co-operatives National Regulations 2014. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstances.

#### Assurance practitioner's responsibility

Our responsibility is to express a conclusion on the financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2400 Review of a Financial Report performed by an Assurance Practitioner who is not the Auditor of the Entity, in order to state whether, on the basis of the procedures described, anything has come to our attention that causes us to believe that the financial report is not presented fairly, in all material respects, in accordance with the Australian Accounting Standards. ASRE 2400 requires us to comply with the requirements of the applicable code of professional conduct of an accounting body.

A review of an annual financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

## Independence

In conducting our audit, we have complied with the independence requirements of the Australian professional accounting bodies.

## Conclusion

Based on our review, which is not an audit, nothing has come to our attention that causes us to believe that the annual financial report of TOBACCO & ASSOCIATED FARMERS CO-OPERATIVE LIMITED does not present fairly, in all material respects, the TOBACCO & ASSOCIATED FARMERS CO-OPERATIVE LIMITED's financial position as at year end and of its financial performance for the year ended on that date in accordance with the Australian Accounting Standards.

## Basis of accounting

The financial report has been prepared for the purpose of fulfilling The Directors reporting responsibilities. As a result, the financial report may not be suitable for another purpose.
